Sir:

In the November 17, 2005, Notice of Allowability, the Examiner indicates that claims 13-16 and 19-22 are allowed. The allowed claims are based on the appealed claims in view of the BPAI decision of September 8, 2005. However, as set forth in the June 25, 2003 Office Action, claims 17, 18 and 23-25 were already allowable. Since claims 17, 18 and 23-25 were not appealed, it appears that the Examiner forgot to include the claims with the listing of allowed claims on the current Notice of Allowability. Accordingly, Applicant respectfully requests a Supplemental Notice of Allowability which correctly lists all allowed claims in this Application.

Since this Request is not filed in view of any error created by the Applicant, the Request should not adversely affect the accrued Patent Term Adjustment.
